**DISCLAIMER:** Please be advised, these dates and times are subject to change due to unforeseen operational factors or inclement weather.

## NEIGHBORING PROJECTS

### **I-5 South County Improvement Project Avenida Pico to San Juan Creek Road**

Construction is underway on the I-5 South County Improvement project. The 5.7-mile project will add a carpool lane in both directions on the I-5 freeway between Avenida Pico and San Juan Creek Road and reconstruct the interchange at Avenida Pico.

The northbound I-5 off-ramp to Camino Las Ramblas will close continuously for nine days, beginning Friday, July 17, at 10 p.m. and ending Monday, July 27, at 5 a.m. During the closure, crews will be performing work to move the off-ramp east of its current location to accommodate an additional lane on the I-5 freeway. Activities during the closure will include demolition of the existing ramp and paving for the newly aligned ramp.

For additional information about the project, visit [www.octa.net/I-5Pico](http://www.octa.net/I-5Pico), and to view closure and detour information, [click here](#).

### **I-5 Ocean View Rehab Project**

The Ocean View Rehab Project kicked off construction in October in San Diego County. The \$37.3 million project will replace the damaged concrete pavement slabs of the slow lane in each direction of the I-5 freeway between Oceanside and the San Diego / Orange County Line.

Motorists should expect delays during work hours and check Caltrans Quick Map at [quickmap.dot.ca.gov](http://quickmap.dot.ca.gov) for the latest freeway traffic information before leaving home. For additional information, please view the [project fact sheet](#).
